Figure 3. Prospectus Process

Students who wish to turn in prospectuses the 4th semester must obtain prior approval from the Graduate Adviser.

Required Domain Courses:

By the end of the semester PRIOR to turning in the prospectus, you must complete the following:

2 Primary Domain Courses from Domain 1

1 Primary Domain Course each from Domains 2, 3, 4, and 5

Failure to successfully complete the above courses prior to the semester in which the prospectus is due will result in a “fail” for the prospectus, and the GSC is under no obligation to allow the student to resubmit the prospectus.
